

TESTIMONIALS

Delegates were asked: "What would you tell a friend or colleague about the training?"

I would highly recommend this course informing them how informative it is. Some of the information you will hear on the course can be disturbing and hard to take, however it is very useful. The fact its come from women who have experienced this, for me, makes you really take note and reflect on the hardship people are really going through.

Colleague- try to attend, and encourage others at work too, try to keep an open mind.

Family Support Worker

An eye opener, it will widen your knowledge on DA to an extent you wouldn't realise is possible

Family Support Worker

Come and do it! Interactive and hope to take my learning from this forward with me, thank you!

I have already began discussing the fact that this course is extremely useful both in supporting me to gain greater insight into dominator behaviours and influences, but also in ways of facilitating sessions with others. Wonderfully delivered, thank you Clare

Centre Coordinator

This session/programme is very informative and you learn so much useful information. It also gives you great tools and knowledge to use in your case work

Family Support Worker

Its informative, it gives you a real and eye opening view of DA

It is a real eye opener and definitely worth doing the training course to learn more about DA

Family Support Worker

The freedom programme training was empowering and inspiring. So full of information and thought-provoking material. A great environment for a difficult subject. I would encourage everyone to go on the freedom programme and I cannot wait to start delivering it. So many thanks Clare!

Great training, would really recommend this, thank you!!

Early Help Practitioner

To come along, ask them to refer themselves and explain it is not judgemental and empowers others to the skills to recognise dominators

Family Support Worker

Do it! It will change your life and others'. Excellent. Brilliant trainer. A real life changing course!

Early Help Practitioner

Intense and extremely informative. Gives all tools necessary to move on to delivering the programme. Surpassed expectations and would highly recommend

Family Support Worker

Yes I would it was very informative and gave a very good overall knowledge of the course and DA

Accommodation Support Worker

It's the best course ive been on! Its educational, balanced and informative. It helps to make sense of the traits, tactics and abuse cycle of the dominator

Family Support Worker

Its awesome, challenges thinking and arms you with knowledge

It was amazing and very informative. I would 100% recommend it. It would help support my practice

Family Support Worker

Very informative and enjoyable. Clare was brilliant, so knowledgeable to do with everything about DA. Would highly recommend the training

Early Help Practitioner

That it is a very life changing and empowering course. It addresses DA, it looks at the perp and the wider gender beliefs that underpin these attitudes. All in all highly recommended
